Notes

Juhl Krøse's third release on Banoffeesound is a double-header. **Pumpafrön** is a bouncy, bassy, raw chunk of French-style electro-house, while **Pylon** is a gentler, more progressive mélange of cut-up vocal samples and atmospheres.

Pylohm is a reversion of **Pylon** that ups the electrical factor.

As well as the two previous releases on Banoffeesound, **Tjaarda / Semeriva** and **Azonos**, Juhl has been busy remixing other artists, including **Ricardo Autobahn**, the **Cuban Boys**, and a very special under-wraps remix for a legendary pop act which is such a big deal that we're not allowed to talk about it yet.

Label

This is the 13th release on the Banoffeesound label, building up a broad and open-minded portfolio of house music with an optimistic spin.
