Notes

Jonathan's singing career started as a Choral Scholar in King's College Choir, Cambridge, and he currently sings as a bass with both London Contemporary Voices and The Cantus Ensemble- but Jonathan's first solo release highlights another musical passion- for synthpop, disco and club tunes.

Revolution and **Obsession** merge a choral vocal range with highly charged lyrics and stomping beats on the Euro side of the spectrum.

Since I Found You is a ballad that gives this package some breadth, before club remixes from **Ricardo Autobahn** and **DonQuibeats** bring the songs to the dancefloor.

Label

This is the 14th release on the Banoffeesound label, building up a broad and open-minded portfolio of house music spanning all the way from the synthpop mountains to the techno sea.
