## Notes

Anna Stimpson's debut album **Wasted** follows on from her critically acclaimed single **My Number 35** and includes previous singles **Stay** and **In A World Where You're Not There**.

Whilst Anna is a singer-songwriter at home behind an acoustic guitar, the album is co-written and produced by **Ricardo Autobahn** and their shared love of **Pet Shop Boys** and house beats, blended with high-quality songwriting from the folk aesthetic, makes this a unique pop album.

The deeply heartfelt themes of escapism and the end of romance run throughout the lyrics, making it an emotional release that wears its heart on its sleeve- but always with a catchy tune.

As well as a digital release through the usual outlets- iTunes, Amazon, Spotify et al- the album will also be available on CD.

## Label

This is the 15<sup>th</sup> release on the Banoffeesound label, building up a broad and open-minded portfolio of house music spanning all the way from the synthpop mountains to the techno sea.
